Dear Parent/ Caregiver,

At times the school will need to publish pictures and information about your child in order to share their experiences and inform the community about the programs and activities we do at school.

This information may include your child’s name, age, class, photograph, sound and visual recordings of your child and your child’s work.

This information may be used in:
- Department of Education and Communities websites including the school website, the Department of Education and Communities intranet (staff only), blogs and wikis
- School newsletter, annual school magazine and school report, promotional material published in print and electronically including on the Department’s websites
- Official Department and school social media accounts on networks such as YouTube, Facebook and Twitter
- Newspapers, magazines and television.

Parents should be aware that when information is published on public websites and social media channels, it can be seen online for a number of years, if not permanently. Search engines may also keep copies of published information.

Please complete the permission slip below to allow your child’s information to be used.

Please return to the school office by Friday 29th August 2014.

Yours sincerely

Paul Smith
Principal
Albury North Public School
